TRAINING PERIOD & STIPEND

Training Period

Selected applicants shall undergo apprenticeship training as per extant rules.

Stipend

Selected candidates engaged as apprentices will be paid a stipend at the prescribed rate during the training period, as per the extant rules and directives issued by the Railway Board from time to time.

MODE OF SELECTION

1. The selection of eligible applicants for training under the Apprentices Act, 1961 will be based on a merit list. The merit list for each unit will be prepared solely on the basis of the percentage of marks obtained in Matriculation, subject to a minimum of 50% aggregate marks. **The final panel will be drawn based on the Matriculation marks of the eligible applicants.**
2. For the purpose of calculating the percentage of Matriculation marks, the marks obtained in all subjects will be reckoned, and not the marks of any single subject or group of subjects.
3. In the event of two or more applicants securing the same marks, preference will be given to the older candidate. If the dates of birth are also identical, the candidate who passed the Matriculation examination earlier will be given priority. **There will be no written test or viva.**
4. Applicants are not required to send any hard copies of applications, certificates, or documents to RRC/BBS by post. All relevant documents must be uploaded online only.

Calculation of Marks

For the percentage of SSC/Matriculation marks, the total of all subjects in the mark sheet shall be considered. The calculation must not be based on the 'best of five' approach but must include all subjects — optional, additional, and alternate. Applicants with a CGPA must convert it to actual marks and enter the equivalent percentage in the online application.

Note: Any discrepancy between the marks/CGPA entered in the online application and the corresponding entries in the original mark sheet or certificate, if detected during Document Verification, will lead to summary rejection of the candidature.

- a) The trade-wise and community-wise merit list will be prepared, and candidates will be called for DV by the Headquarters based on merit in the relevant trade.
- b) The final selection shall be subject to verification of original documents/testimonials and submission of a Medical Fitness Certificate, as prescribed in **Annexure 'F'**.
- c) Candidates on the standby list will be issued call letters only upon receipt of details regarding absentees, medically unfit, or rejected candidates from the merit list. Call letters will be issued strictly in order of merit.
- d) Applicants are advised to remain prepared to report for DV.

MODE OF APPLICATION

1. Applicants are required to apply online by visiting **www.rrcbbs.org.in**. Detailed instructions for filling out the online application will be available on the website.
2. Candidates must first register and then log in accordingly. A candidate is allowed to submit only one application; submission of more than one application shall summarily disqualify the candidate.
3. During submission of the online application, a Registration Number will be issued to each applicant and must be preserved and quoted at all further stages of the selection process. Candidates must not change their registered mobile number or email ID during the entire process. All important notifications will be published on the official website, and email/SMS communications will be sent only to selected applicants; such communications shall be deemed to have been read by the applicants.
4. Candidates are responsible for the correctness of the information filled in their online application. Any false information shall lead to immediate disqualification.
5. Candidates must take a printout of their online application after final submission for record. If found eligible, the candidate will be called for DV.
6. Applicants must fill in their personal details, trade, Aadhaar number, marks/CGPA, and choice of Division/Workshop very carefully, as the computerized merit list will be generated solely on the basis of the information provided. Any discrepancy found during Document Verification will result in summary disqualification.
7. Applicants must be in possession of an Aadhaar Card and must enter their 12-digit Aadhaar number at the time of registration. Those who have enrolled but not yet received the card may enter the 28-digit Aadhaar Enrolment ID printed on the enrolment slip. This provision applies to applicants from all States and Union Territories; the original Aadhaar Card must be produced at DV.
8. Applicants must ensure that their name, father's name, and date of birth exactly match the details recorded in their Matriculation or equivalent certificate. Any discrepancy found during DV may result in cancellation of candidature and debarment.
9. Applicants are permitted to choose only one Division/Workshop; the option once exercised shall be final and binding. Applicants are advised to refer carefully to the trade-wise vacancy table (**Annexure 'A'**) to ensure the Division/Workshop applied for has available vacancies corresponding to their trade, qualification, community, and category.
10. Applicants possessing ITI qualifications in more than one trade may apply separately for each relevant trade.
11. Applicants attempting to submit more than one application for the same trade using different particulars (name, father's name, community, PwBD status, qualifications, or different Email IDs/Mobile Numbers) are informed that all such applications will be summarily rejected.
12. Applicants must download and retain a printout of their online application, to be produced whenever requested by the Railway Administration.
13. Applicants must report for Document/Certificate Verification with their original documents, along with the Medical Fitness Certificate (**Annexure 'F'**), at Railway Recruitment Cell, Bhubaneswar.
14. Applicants claiming consideration under the EWS quota must upload their EWS Certificate as specified above (**Annexure 'E'**).
